

# Copyright Transfer and Page Charge Agreement

This signed statement must be received by the Atomic Energy Society of Japan before your manuscript can be submitted to the Editorial Board of the "Journal of Nuclear Science and Technology". In the event the following manuscript is not accepted or is withdrawn by the author before acceptance, this agreement becomes null and void.

The undersigned author (the "Author") has submitted a manuscript entitled

Title of Manuscript

(the "Work") for publication in the Journal of Nuclear Science and Technology published by the Atomic Energy Society of Japan (the "Publisher").

## (1) Copyright Transfer

1. The Author transfers to the Publisher during the full term of copyright, the exclusive rights comprised in the copyright of the Work, including but not limited to the right to publish the Work and the material contained therein throughout the world, in all languages, and in all media of expression now known or later developed, and to license or permit others to do so.
2. Notwithstanding the above, the Author retains the following:
  - (1) Proprietary rights other than copyright, such as patent rights.
  - (2) The right to make copies of all or part of the Work for the Author's use in classroom teaching.
  - (3) The right to use, after publication, all or part of the Work in a book by the Author, or a collection of the Author's Work.
  - (4) The right to make copies of the Work for internal distribution within the institution that employs the Author.
  - (5) The right to use figures and tables from the Work, and up to 250 words of the text, for any purpose.
  - (6) The right to make oral presentations of material from the Work.
3. If the Work was written as a work made in the course of employment, the Work is owned by the company / employer that must sign this Agreement in the space provided below. In such case, the Publisher hereby licenses back to such employer the right to use the Work internally or for promotional purposes only.
4. If the Work was prepared jointly, the Author agrees to inform the co-authors of this agreement and to obtain their permission to sign on their behalf. If excerpts from copyrighted works are included, the Author has obtained written permission from the copyright owners and show credit to the sources in the Work.
5. The Author also guarantees that the Work you have submitted to the journal for review is original, has been written by the stated authors and has not been published elsewhere. The Work is not currently being considered for publication by any other journal and will not be submitted for such review while under review by the journal.

## (2) Page Charge Agreement

The Author or the Author's company/institution agrees to pay the page charge of the above manuscript. The invoice will be sent to the author on publication of the Work.

## Copyright Transfer and Page Charge Agreement

This signed statement must be received by the Atomic Energy Society of Japan before your manuscript can be submitted to the Editorial Board of the "Journal of Nuclear Science and Technology". In the event the following manuscript is not accepted or is withdrawn by the author before acceptance, this agreement becomes null and void.

The undersigned author (the "Author") has submitted a manuscript entitled

Title of Manuscript
Development of a Variable Time-step Transient NEM Code

(the "Work") for publication in the Journal of Nuclear Science and Technology published by the Atomic Energy Society of Japan (the "Publisher").

### (1) Copyright Transfer

1. The Author transfers to the Publisher during the full term of copyright, the exclusive rights comprised in the copyright of the Work, including but not limited to the right to publish the Work and the material contained therein throughout the world, in all languages, and in all media of expression now known or later developed, and to license or permit others to do so.
2. Notwithstanding the above, the Author retains the following:
  - (1) Proprietary rights other than copyright, such as patent rights.
  - (2) The right to make copies of all or part of the Work for the Author's use in classroom teaching.
  - (3) The right to use, after publication, all or part of the Work in a book by the Author, or a collection of the Author's Work.
  - (4) The right to make copies of the Work for internal distribution within the institution that employs the Author.
  - (5) The right to use figures and tables from the Work, and up to 250 words of the text, for any purpose.
  - (6) The right to make oral presentations of material from the Work.
3. If the Work was written as a work made in the course of employment, the Work is owned by the company / employer that must sign this Agreement in the space provided below. In such case, the Publisher hereby licenses back to such employer the right to use the Work internally or for promotional purposes only.
4. If the Work was prepared jointly, the Author agrees to inform the co-authors of this agreement and to obtain their permission to sign on their behalf. If excerpts from copyrighted works are included, the Author has obtained written permission from the copyright owners and show credit to the sources in the Work.
5. The Author also guarantees that the Work you have submitted to the journal for review is original, has been written by the stated authors and has not been published elsewhere. The Work is not currently being considered for publication by any other journal and will not be submitted for such review while under review by the journal.

### (2) Page Charge Agreement

The Author or the Author's company/institution agrees to pay the page charge of the above manuscript. The invoice will be sent to the author on publication of the Work.
