Exhibition Guidelines

Booth specifications and charges

- Basic dimensions: 1booth will have 2.7m(frontage) × 1.8m(depth) × 2.1m(wall height)
Basic specification: Woodworked panel walls, Desk (1.8m (front) × 0.6m (depth) × 0.7m (height)), Power supply 1 location (100V, 1500W)
- Other items will be prepared separately as an optional extra and may incur additional fees and/or specifications.
- Total number of booths allocated for the event : 20 in the hall
- Registration fee: ¥300,000 per booth

Application for exhibition and payment procedures

- 2.7m × 1.8m (floor space) is 1 booth unit. Multiple adjoining or additional separate units can also be applied for. Fill in the "Exhibition application form" attached, and apply to the secretariat.
- Booth applications for exhibition will be closed on September 30th, 2011. However, please note that if sufficient applications are made reception may end earlier than this date.
- Application for exhibition booths will be accepted on confirmation of the exhibit details by the secretariat. As for exhibition fee the secretariat will issue an invoice upon approval of the

application form for the exhibition.

- Application will be processed after the confirmation of payment of the exhibition fee.

Cancellation of application for exhibition

When changing the quantity of booths, or cancelling an exhibition booth after the application has been made by necessity, a cancellation charge will be incurred as described below. Please inform us in writing in such a case. The exact cancellation charge will apply based on the reception date of the written notice.

- From application date to September 15th, 2011: 0% of the exhibition fee
- From Friday, September 16th to Monday, October 31st 2011: 50% of the exhibition fee
- Thursday, November 1st 2011 and later: 100% of the exhibition fee

Determination of booth location

Booth location for each exhibitor will be determined by the organizer by taking the contents of exhibition into consideration in a comprehensive manner.

In addition, application of the quantity of booths may be adjusted by the organizer to best suit the venue.

Rules and regulations of presentation

- Prohibition of subleasing of booth

An exhibitor is prohibited from subleasing, buying and selling, exchange, or transfer of own booth without approval of the secretariat.

- Management and immunity of exhibit

The secretariat will pay attention to accident prevention regarding management and maintenance of exhibits. However, the secretariat will not bear responsibility regarding loss or damage of exhibits from all causes.

- Compensation for damage

An exhibitor must bear all damages regarding the facilities of venue, buildings of exhibition, or personal injury caused by negligence or other factors of self or agent.

- Suspension of exhibit

When the land and building for holding the exhibition is determined to be inappropriate for admission, or holding of the exhibition is interrupted by unjustified causes beyond control, the secretariat may change the session, or suspend holding the exhibition by discretion. The secretariat will not bear responsibilities regarding loss, cost increase, and other detrimental aspect of affairs occurred to the exhibitors caused by such events.

- Rule and regulation compliance

An exhibitor must agree to the above conditions as a part of the exhibition contract, and consent to comply with the rules and regulations. In addition, an exhibitor must interpret that the compliance with all the rules and regulations is for the sake of protection of benefit of the exhibition, and cooperate with the implementation.
